Title Quests - 17/08/2024

Title NPCs are now available at our mall! These NPCs are entirely optional and offer some unique, previously unobtainable titles from earlier expansions, including several realm first achievement titles.

Transmog World Bosses 10/06/2024

Two new Transmog World Bosses have been added: Marshal Talon in Goldshire and Wartord Grommash at The Crossroads.

These bosses drop vanilla PvP items (usable for all classes, this means you can use warrior shoulders on mage as example) and PvP visual tokens. They have a 15-minute respawn time and require a small group to defeat. PvP is enabled!

Remember to close WoW and remove your cache folder.

Solo Bosses - 01/05/2024

Some bosses have escaped their instances! They are now available as 'Solo World Bosses,' dropping the same loot as in their raids. This is a temporary event, and we might keep it if people enjoy it. (Useful for farming medallions/key quests) (Each boss has a 15-minute respawn time).
